

Veijo Saano: lääketieteellisten esitelmien lyhennelmät / abstracts of scientific congress presentations and other medicinal presentations

1. Saano V, Airaksinen MM: Potentiation of beta-adrenergic uterine relaxation with alpha-adrenergic blocking drugs. Abstracts of 6th Internat Congr Pharmacol, Helsinki, July 20-25, 1975, p. 314.
2. Saano V, Tuomisto J, Airaksinen MM: Bioavailability of paracetamol preparations marketed in Finland. Comparison of B.P.E. -kit with the method of Love in plasma paracetamol determinations. *Acta Pharm Fenn* 88:134, 1979.
3. Saano V, Airaksinen MM: The effect of adrenergic alpha-receptor blockade on beta-agonist induced relaxation of rat uterus in vitro. XVI Scand Congr Physiol Pharmacol, Oulu 1979. *Acta Physiol Scand Suppl* 473:38, 1979.
4. Saano V, Airaksinen MM: Action of tofizopam on benzodiazepine and GABA receptors in rat brain synaptosomal membranes. 3rd Congr Hungarian Pharmacol Sci, Budapest 22-25 Aug 1979, Abstracts, p.75.
5. Saano V, Urtti A, Airaksinen MM: The increase in the binding of ³H-flunitrazepam to rat brain benzodiazepine receptors in vitro and in vivo by tofizopam, a 3,4-benzodiazepine. *Naynun Schmiedeberg's Arch Pharmacol* 313(Suppl):R34, 1980.
6. Saano V, Urtti A, Airaksinen MM: The effect of tofizopam, a 3,4- benzodiazepine, on experimental anxiety, motor activity and benzodiazepine receptors in rats. Abstracts of III World Congr Biol Psychiatry, Stockholm 28.6.-3.7.1981, Part 2, F 419.
7. Airaksinen MM, Saano V: The binding of α -carbolines on the benzodiazepine-, opiate-, and dopamine receptors in vitro and ex vivo. Proc Symp on Molecular Pharmacol of Neurotransmitter Receptor Systems. Hiroshima, July 25-28, 1981. Raven Press.
8. Peura P, Airaksinen MM, Tuomisto L, Saano V, Eriksson P: 1-Methyl-tetrahydro-beta-carboline in human blood after alcohol intake. Second Finnish Symp on the Biological and Medical Effects of Alcohol, Helsinki 1981. Abstracts, p. 35.
9. Airaksinen MM, Koikkalainen E, Saano V: Binding of α -carbolines on the subtypes of benzodiazepine and opiate receptors. Second National Meeting of Neurochemistry, June 28-29, Kuopio, Finland 1982. *Publ Univ Kuopio, Med, Stat Rev* 3:9, 1982.
10. Saano V, Airaksinen MM: Effect of tofizopam on GABA/benzodiazepine receptors; interaction with diazepam with regard to anticonvulsive action. *Ibid*, p.32.
11. Airaksinen MM, Steidel E, Saano V, Juvonen H, Gynther J, Huhtikangas A: Beta-Carbolines as ligands of enkephalin receptors. Joint Meeting of the Scandinavian Pharmacol Soc and Italian Pharmacol Soc, 25-28 April 1983, Taormina, Italy. Abstracts, p. 78.
12. Tacke U, Paananen A, Tuomisto L, Saano V, Tuomisto J: Postictal changes in the threshold to bicuculline-induced convulsions in audiogenic-sensitive (AGS)-rats. 15th Epilepsy International Symp, 1983. Abstracts, p. 529.
13. Saano V: Peripheral-type benzodiazepine binding sites in the heart and their interaction with various drugs in vitro. *Acta Neurol Scand* 69:353-354, 1984.
14. Saano V: Tofizopam, a 3,4-benzodiazepine, selectively potentiates anticonvulsants. IUPHAR 9th Internat Congr Pharmacol, London 1984, Abstracts, 1829P. Macmillan Press Ltd.
15. Saano V: Lääkkeenomaiset luonnontuotteet ja syöpäpotilas ('Natural drugs' and the cancer patient). *Lääketiede* 85 *Medicin*, 6.-11.1.1985 Otaniemi. Luentolyhennelmät, pp.377-378.
16. Saano V, Airaksinen MM, Lounasmaa M, Huhtikangas A: Indoloquinolizines and beta-carbolines: affinity to benzodiazepine, tryptamine and 5-HT binding sites. *Acta Physiol Scand* 124S: 222, 1985.
17. Saano V, Castren E: No changes in the rat brain type 1 and type 2 benzodiazepine binding sites after chronic administration of desipramine. *Acta Physiol Scand* 124S:232, 1985.
18. Laitinen K, MacDonald E, Saano V: Effects of diazepam, tofizopam or phenytoin during foetal development on subsequent behaviour and benzodiazepine receptor characteristics in rats. 6th Congress of the European Society of

Toxicology, Kuopio, June 16-19, 1985. Abstracts, p. 30.

19. Airaksinen MM, Lecklin A, Saano V: Affinity of various α -carbolines for tryptamine and 5-HT receptors in the central nervous system. 4th Congr of the Hungarian Pharmacol Soc with International Participation, August 27-29, 1985, p. 3.
20. Saano V, Rätty M: Peripheral benzodiazepine binding sites and the force of contraction in the rat heart. *Ibid*, p. 94.
21. Pitkänen A, Saano V, Riekkinen PJ: Effects of anticonvulsant drugs on 35-t-butylbicyclophosphorothionate (35-S-TBPS) binding in vitro. 16th Epilepsy Internat Congr, Hamburg, September 6-9, 1985.
22. Airaksinen MM, Saano V, Tuomisto L: α -carbolines, natural ligands of which receptors? Finnish-Soviet symposium on centrally acting drugs and alcohol. October 7-11, 1985, Espoo, Finland.
23. Pitkänen A, Saano V, Hyvönen K, Airaksinen MM, Riekkinen PJ: GABA, benzodiazepine, and picrotoxinin receptor binding in cobalt epilepsy in rats. American Epilepsy Society: Joint meeting with Eastern Association of Electroencephalographers. New York, December 3-4, 1985. Abstracts, p. 40.
24. Saano V, Komulainen H: Nifedipine induces intense nausea and vomiting in young, healthy volunteers. *Toxic Interfaces of Neurones, Smoke and Genes. Arch Toxicol, Suppl 9:217-218, 1986.*
25. Raatikainen O, Svartbäck A-K, Komulainen H, Saano V: Improved method for HPLC-analysis of nifedipine. Joint Meeting of Yugoslav and Finnish Pharmacologists, Dubrovnik, Yugoslavia, September 24-26th 1986. Abstracts, p. 10.
26. Saano V, Raatikainen O, Komulainen H: Human pharmacokinetics of nifedipine after a single peroral 20 mg dose. *Ibid*, p.12.
27. Airaksinen MM, Lecklin A, Saano V, Lounasmaa M: Tremor and binding to tryptamine binding sites of beta-carbo-lines and indoloquinolizidines. Xth Internat Congr Pharmacol, August 23-28, 1987, Sydney, Australia. Abstracts, P256.
28. MacDonald E, Teittinen K, Saano V: Heart infarction arrhythmias and peripheral benzodiazepine receptors. *Ibid*, P10-85.
29. Saano V, Muranen A, Virta P, Nuutinen J, Karttunen P: ATP in vitro stimulates the ciliary activity and in vivo antagonizes the depressant effect of benzalkonium chloride on ciliary activity in rat trachea. *Ibid*, P1327.
30. MacDonald E, Saano V, Virtanen R, Lammintausta R: Medetomidine, a novel highly selective alpha-2-adrenoceptor agonist; actions and therapeutic implications. *Fed Proc 46:649, 1987.*
31. Saano V, MacDonald E, Virtanen R: Medetomidine and atipamezole bind selectively to alpha-2-adrenoceptors. Abstracts of the XVI C.I.N.P. Congress, Munich 15-19 August 1988. *Psychopharmacol 96(S): 372, 1988.*
32. Saano V, MacDonald E: Attitudes of students to the use of laboratory animals in teaching of pharmacology - results of a questionnaire study. XLI Annual Meeting of the Finnish Pharmacol Soc, March 10, 1989, Turku. Abstracts, p 27.
33. MacDonald E, Saano V: Replacement of animals with video tapes in pharmacology teaching: A case of throwing the baby out with the bathwater? *Ibid*, pp 7-8.
34. Halonen T, Saano V, Pitkänen A, Riekkinen PJ: Effect of administration of vigabatrin on GABA levels and on GABA/benzodiazepine receptor binding in rat brain. V Finnish-Soviet Symposium on Neuropharmacology and Biological Alcohol Research, Kuopio, September 14-16, 1989, Abstracts. *Publ Univ Kuopio, Med, Statistics and Reviews 3:12, 1989.*
35. Saano V, Virta P, Nuutinen J, Silvasti M: Effect of various drugs on human mucociliary activity in vitro. Studies with photodetector technique. 7th Alps-Adria-Pannonia Congress, 29-30th September - 1st October 1989, Heviz-Keszthely, Hungary, Abstracts, p. 69.
36. Nuutinen J, Virta P, Saano V, Silvasti M, Karttunen P: The ciliary beat frequency of normal and pathological respiratory mucosa. Kagoshima International Symposium: Mucociliary Defence Mechanisms and microorganisms attachment, October 10-12, 1989, Kagoshima, Japan. Abstracts, p. 23.
37. Karttunen P, Muranen A, Saano V, Nuutinen J, Silvasti M, Virta P. The effects of codeine on rat tracheal ciliary

- beat frequency in vivo and in vitro. 49th International Congress of Pharmaceutical Sciences of F.I.P., München 1989
38. Saano V: Vaihtoehtolääkityksen haitoista (About the adverse effects of the alternative treatments). *Farmasian päivät* 11.- 12.11.1989, luentolyhennelmät, s. 133-136.
 39. Saano V: Luonnonlääkkeiden käyttö ja homeopatian perusteet (The use of 'natural drugs' and the basics of homeopathy). *Tampereen lääkäripäivät -90*, Tampere 22.-24.3.1990. Luentolyhennelmät, s. 115.
 40. Saano V: GABA-receptors. *Nordiska Neuropediatrika Sällskapet XXI Konferens, Uleåborg 24-26 Maj 1990. Sammanfattningar/Abstracts*, pp. IV-VI.
 41. Joki S, Saano V, Virta P, Nuutinen J, Minker E, Korbonits D: Effect of Chinoïn-170, a new bronchodilating antitussive, on human and rat airway ciliary activity in vitro and guinea pig tracheal ciliary activity in vivo. *XIth International Congress of Pharmacology, 1-6 July 1990 Amsterdam. Abstracts, Eur J Pharmacol 183(3):720-721, 1990.*
 42. Minker E, Korbonits D, Saano V, Borsodi A: Studies on the mechanism of action of Chinoïn-170. *Ibid, Eur J Pharmacol 183(3):730, 1990.*
 43. Rågo L, Saano V, Airaksinen MM: The effect of pretreatment with medetomidine on GABA/benzodiazepine receptors in naive and stressed mice. *Ibid, Eur J Pharmacol 183(5): 1976, 1990.*
 44. Saano V: Psychotropic drug effects and the peripheral benzodiazepine receptors. *Ibid, Eur J Pharmacol 183(1):144, 1990.*
 45. Saano V, Arkko P: Unproven cancer therapies in Finland. *15th International Cancer Congress, Hamburg, August 16-22, 1990. Poster abstracts. J Cancer Res Clin Oncol 116(S): 636, 1990.*
 46. Saano V, Hansen PP, Paronen P: Zopiclone, diazepam and lorazepam - interactions in effects and pharmacokinetics? *17th Congress of Collegium Internationale Neuro-Psychopharmacologicum, Sept. 10-14, 1990, Kyoto, Japan. Abstracts: Clin Neuropharmacol, 13(Suppl. 2):166, 1990.*
 48. Airaksinen MM, Rågo L, Saano V: ³H-Atipamezole binding sites: Autoradiographic localization and the effect of stress and anxiogenic beta-carbolines. *The II Baltic meeting on pharmacology and clinical pharmacology, Tallinn, October 3-4, 1990. Abstracts, p. 7.*
 49. Rågo L, Adojaan A, Saano V: The effects of stress and psychotropic drugs on the peripheral benzodiazepine binding sites. *Ibid, p. 100.*
 50. Saano V: Luonnonlääkkeet ja homeopatia ("Natural" drugs and homeopathy). *Lääketiede 91 Medicin, 7.-11.1.1991 Messukeskus. Luentolyhennelmät, p. 428.*
 51. Rågo L, Nieminen SA, Saano V, Airaksinen MM: Autoradiographic localization and quantitative evaluation of ³H-atipamezole binding sites in discrete regions of rat brain. *5th Nordic Neuroscience Meeting, Kuopio, June 12 - 15, 1991, Proceedings. Publ Univ Kuopio, Med 2:143, 1991.*
 52. Rågo L, Saano V, Auvinen T, Adojaan A, Holma R, Airaksinen MM: The effect of chronic treatment with peripheral benzodiazepine ligands on behavior and GABA/benzodiazepine receptors in rats. *Ibid, p. 178.*
 53. Nuutinen J, Saano V: The ciliary beat frequency and impaired mucociliary function in chronic respiratory diseases. *International congress of Rhinology, Tokyo, 1991. Abstracts, p. 82*
 54. Saano V, Joki S, Nuutinen J, Korbonits D: Effects of KHL-8425 on the airway ciliary activity and on receptors in the central nervous system. *Proceedings of the British Pharmacological Society, 18-20 September 1991, University of Southampton, P53*
